Dear Mr. Calhoun,

I am writing to inquire if your Facebook posts (see attached) are from you, and if so, if you contend that you were in the Capitol building in Washington D.C. today as part of a mob to storm the Capitol with violence, resulting in the death of at least one human being.

If it was you, I am asking the District Attorney in the Southwestern Circuit to forward your information to the United States Attorney for the District of Columbia for prosecution for felony murder and treason. If it was not you, then I strongly suggest you take action to protect yourself from a criminal prosecution. If it was you, then I would urge you to turn yourself in to the police in the District of Columbia.

Sincerely yours,

What you told the Atlanta Journal Constitution don't mean shit. Not only did you admit to taking place in a "hostile takeover of the Capitol building" you documented your crime word for word on Facebook.

We occupied the Capitol and shut down the Government - we shut down their stolen election shenanigans.

I was there and saw it all. My buddy Andy Nalley and I were in the first two hundred to rush up the steps and inside after the Vanguard had clashed hard with the police and had made them retreat. ... See More

I hope you get disbarred. Maybe if you lose your privilege to practice, you will have time you remember what you learned in law school. Until then, I hope you spend your last dime defending yourself against felony murder charges, as well as sedition, burglary, mail theft, assault, etc. I can only imagine how many charges there will be. And you will get no consideration for being one of Trump's undereducated dupes. Hurray for you.
